

“PLAY BALL!”

Pleasant View T-Ball League!!

Registration Deadline March 19, 2021

Parents, Players and Coaches,

Pleasant View is excited to provide an opportunity for T-ball aged children to learn the game of baseball in an organized and encouraging atmosphere. Kids will have a blast while being taught the fundamentals of the game: they will learn the proper way to field, throw, catch, and hit the baseball. This will be accomplished under the watchful and caring eye of coaches who will take a personal interest in each of the children who participate.

Additional forms are available in the church office (2782 W. 200 N.) and at www.pvbible.com. You also have our permission to make duplicates of this letter and form if you need them to give to friends who may like to try our league. **This year online forms and payment option will be available at _____.**

The season will open up with a free clinic on Saturday, **April 17th**, *for those who are registered to play in the league*. After the clinic, players will be assigned to their teams and meet their coaches who will hand out game schedules and team shirts.

Most games will be played on Monday nights, but in case of a rainout, make-up games will be played on the Thursday following the missed game. We will not have a game the week of Memorial Day.

The first game is scheduled for Monday, **April 19th**. The season grand finale will be Monday, **June 28th**, with details to follow.

Please fill out the registration form on the back and return it by **March 19th**.

There is limited space for 132 players available, so register early.

Age requirements for T-ball: Must be 5 by December 01, 2021 and cannot turn 9 before June 01, 2021.

We encourage you to invite school friends, neighborhood buddies, relatives or anyone that loves baseball and wants to have some fun. Parents, bring your lawn chairs, relax, if you can, and cheer on your children!
